MESSAGE FROM: John Edwards  
MESSAGE TO: Andrew Young

---

“Uh, hey, it’s me. It’s 8:30. I just spoke with Bunny. Everything’s on go. Her pilot’s gonna pick us up at 10 a.m. Thursday morning, uh, flying to her place. We’ll have lunch together; her, me and Moylan. Immediately after the lunch, she and I will break out into a private session for a couple of hours. That’s when we’ll do our work, including the work about you, and makin’ sure you’re, uh, protected and included and then we’re spendin’ the night which she wants us to do and I’ll see her again on Friday morning to get everything confirmed. So, uh, I think we’re in very good shape with her. Uh, she was wonderful on the phone tonight and very happy. So, anyway, this is, uh, John Moylan’s phone I’m using since, uh, uh, I don’t have one but, uh, I wanted you to hear that message. Keep, keep your head up, pal. You, you can do this. Bye.”
